TYPE OF INCIDENT Hostage Taking and assault by inmate

STATEMENT OF OFFICER:

At approximately 0930 on Febuary 10/82 the induction training officer ex CO Paterson and myself were sitting in the I Block Office discussing newcomers. At this point in time Dube 7316 approached the vestibule door and demanded to be let out onto the strip. I informed him that he was not to be allowed out of the cell block as he was unemployed Dube then said that he was a cleaner and he wanted out of the block. I then informed him that Mr Rittwage had fired him from the cleaners and that he was to remain in the cell block. At this point in time he approached the door to our office and said "Where the Fuck is Rittwage" I told him that he was the boss of all the cleaners. Dube then produced an iron bar out from behind his back and smashed the desk and said

TYPE OF INCIDENT Hostage taking and assault

STATEMENT OF OFFICER:

I replied "Yes we do could you come down right away please" Parker then said "Yes I'll get Kilp and come down right away."

I handled this situation in this particular manner as I did not want to excite Dube anymore than possible and I felt that if he thought that I was talking with Mr. Finucan he would not be as excited as when I had tried to push the emergency button. I then hung up the phone and told Dube that they would be right down. I then made a motion to stand up and Dube smashed the desk in front of me so I sat back down in the chair. He then said they had better hurry up because he wasn't waiting anymore. Dube then smashed the light switch. Dube then turned to go out of the office he kicked the door, threw the garbage can across the
